

# Practical Task for Day 3, part 1.

## Annotated bibliography and revision

YOUR NAME

ACTUAL DATE of completion

You can use this file as a starting point to complete the task. You might want to delete the passage with the assignment below.

1. As explained [here](#), it is a list of publications with your comments and takeaways.

If you are using Mendeley:

- Link Mendeley account to your Overleaf account
  - Get bibliographic descriptions of several items you plan to read and put them into a shared folder in Mendeley
  - Create the project .bib from the folder contents
  - (optional) Can you tweak Mendeley to make use of the field `annotate = {These are my take-aways}`, which pulls your Notes for the item in Mendeley?
2. In the source code, which you are encouraged to share with [m.kunilovskaya@wlv.ac.uk](mailto:m.kunilovskaya@wlv.ac.uk), use your own words to comment the usage of the packages in the preamble.
